AT SEATTLE  
CLERK U.S. DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON  
DEPUTY

KYLE LYDELL CANTY  
Plaintiff,

Case No. 2:16-CV-01655-  
RAJ- JPD

VS.

CITY OF SEATTLE et al,  
Defendants.

PLAINTIFF'S  
HIGHER EDUCATION  
GOALS  
WITH THE HELP  
AND FINANCIAL  
FUNDING OF THE  
STATE OF WASHINGTON,  
KING COUNTY, AND  
CITY OF SEATTLE  
NOTICE OF INTENT

Comes Now, the Plaintiff Kyle Lydell  
Canty In Propria Persona and of  
Sui Juris on the 12th day of  
the month of August year 2017  
herebye moves this Court Pursuant to

Common Law, Rule of Law, F.R.C.P., Title 26 U.S.C., 501(c3), and any other Federally funded programs, grants, acts, and financial money that covers United States Citizens, under the United States Constitution/Federal Law

## I. Law and Argument

Pursuant to a certain U.S.C. titled and Section "Equal Rights", in fact States that every United States Citizen shall be treated "Equally". The Plaintiff's Argument for the Courts would be, is the Plaintiff still considered a United States Citizen with Two brand Spanking new Felonies on his Criminal Record that were not on his Criminal Record prior to July 25th, 2017?

## II. Statement of Facts

The Plaintiff Kyle Lydell Canty

Was illegally charged with a falsified Certification of Probable Cause Statement prepared by the City of Seattle and its officers (Seattle Police Department) (Please see Certification of Probable Cause Exhibit already provided to the Courts)

The Plaintiff was then illegally convicted at a "Bench trial" by King County's fictitious Courts and Judge Lori K. Smith.

The Plaintiff now has Two Brand Spanking new Felonies of Assault in the Second Degree on his record.

The alleged Victims are two Seattle Police department officers Canek Gordillo, and Chris Scott Myers

III Statement of issues

For reasons that are unclear all of the defendants thought that it would be in the State of Washington's "Financial Interest" to conspire against the Plaintiff and have him convicted based on a falsified Certification of Probable Cause Statement.

#### IV. Conclusion

Based Upon how the Revised Codes of Washington are written, Washington administrative Codes, Washington State Constitution, and U.S.C., along with U.S. Constitution, it would now seem that the State of Washington would be the best State to illegally be convicted of a Felony, however one must stay clear from strikeable offenses that the Seattle Police Department will lie about, and one must stay away from felony points, this, one can't avoid here in

the State of Washington When this State allows innocent People to be Sentenced to a Prison term based upon points that the person really doesn't have. If the Plaintiff Kyle Lydell Canty had no prior felony points or felonies period in any state prior to July 25th, 2017, then how was he illegally Convicted and Sentenced to 14 months, when pursuant to the Sentencing Reform act S.R.A. a person with no past felony convictions, if convicted on current charges would only serve a County Jail Sentence of ~~3-9~~ 3-9 months no prison term, and no Doc# of 401358, E107

## V. Relief Requested

The Plaintiff Requests no relief Since this is not a motion, this legally binding document is only

a notice of intent to all defend-  
ant's, Courts and the Public.  
furthermore, The Laws of nature  
along With Karma Will go into  
back into the Universe and Come  
back around.
